Company Overview

Operation Principles

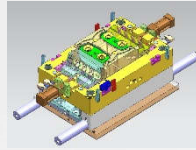

Quality as base; Service as purpose; Market as guide; Improvement as spirit

Breif Introduction

ANOK , was founded in 2007and now located at Guang Ming new district, covers among 10000 square meters. Experienced more than 10 years developing, it became one of the best precision machining manufacturers in China.

ANOK is mainly working on auto parts, mechanical parts, metal parts hardware, equipments spare parts, plastic parts, consumer electronics and design & production of automatic devices, and supply our customers various kinds of parts used widely in industry of automobile, construction, metallurgy, marine, electronic, engineering, fire protection & medical devices, etc.

History

1997

mold design office founded

1998 ANOK workshop founded

Factory enlarged
Staff 30~40

2003

started exported biz
through trading company

2007 Factory enlarged Staff 100~200

2011 Machining department

2009

Overseas deartpmnt
owned factory

2018

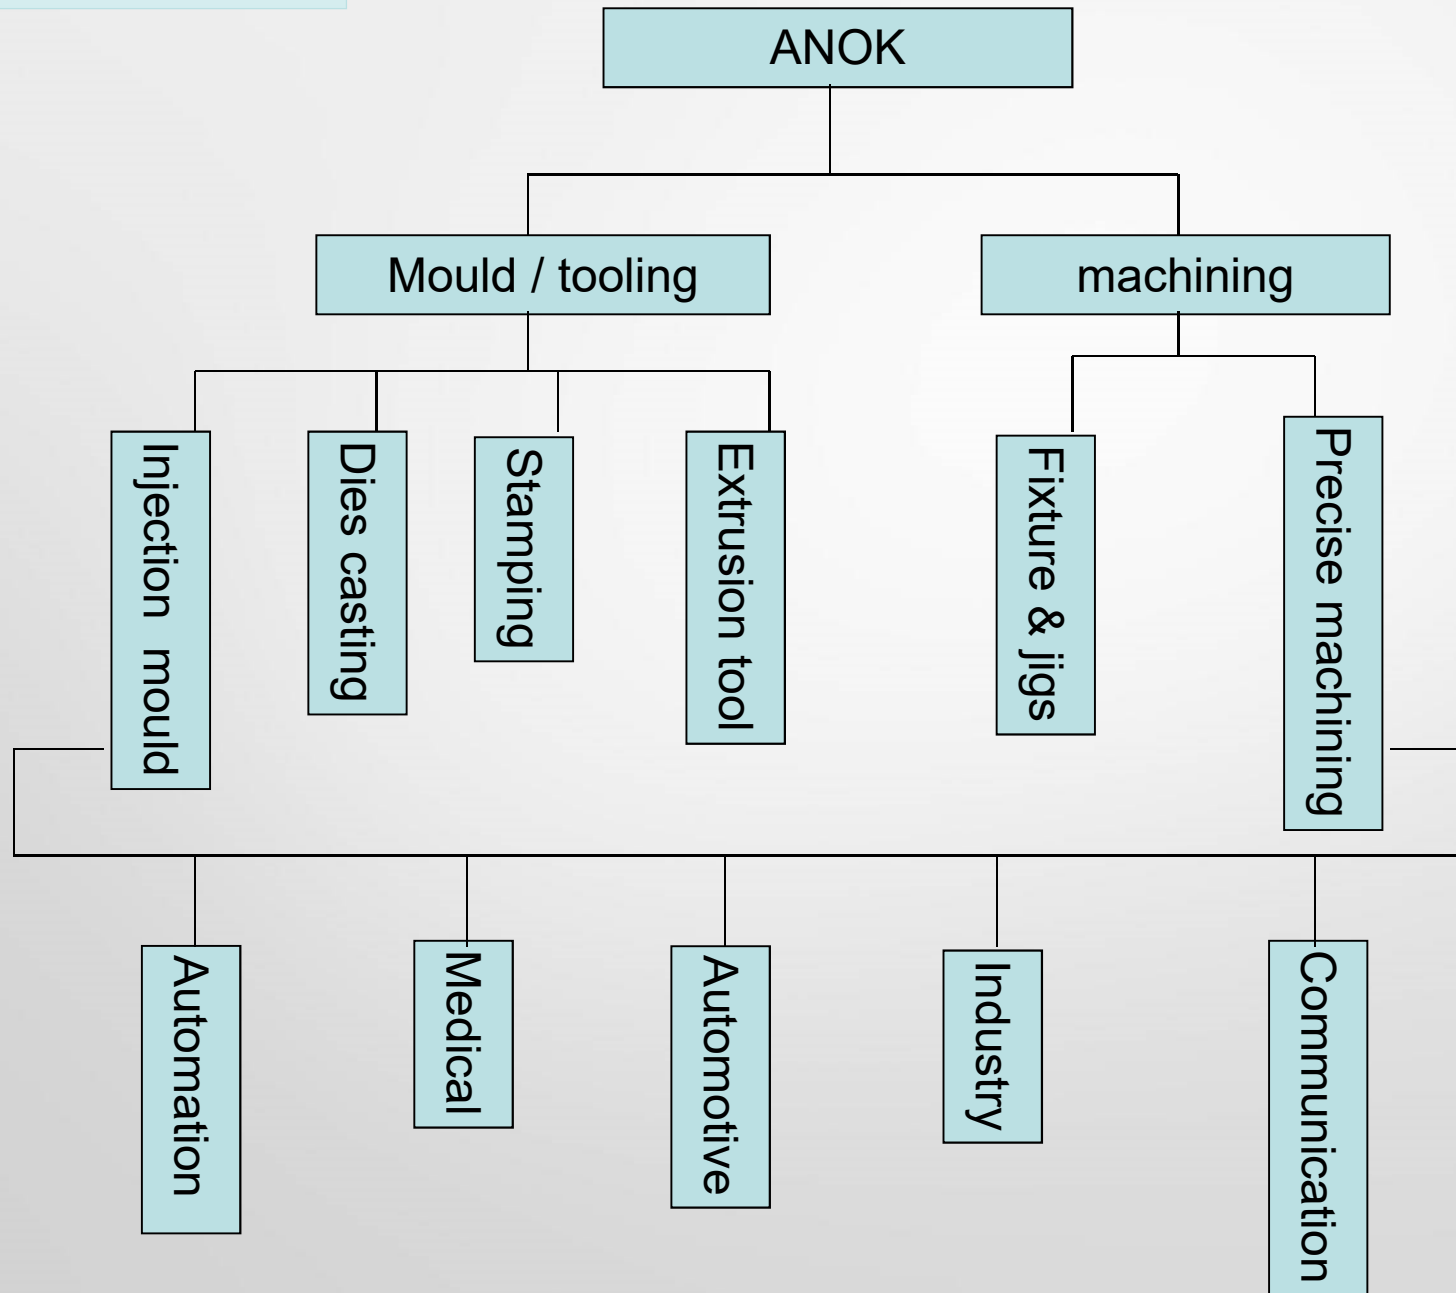

Take part in Hanover Messe

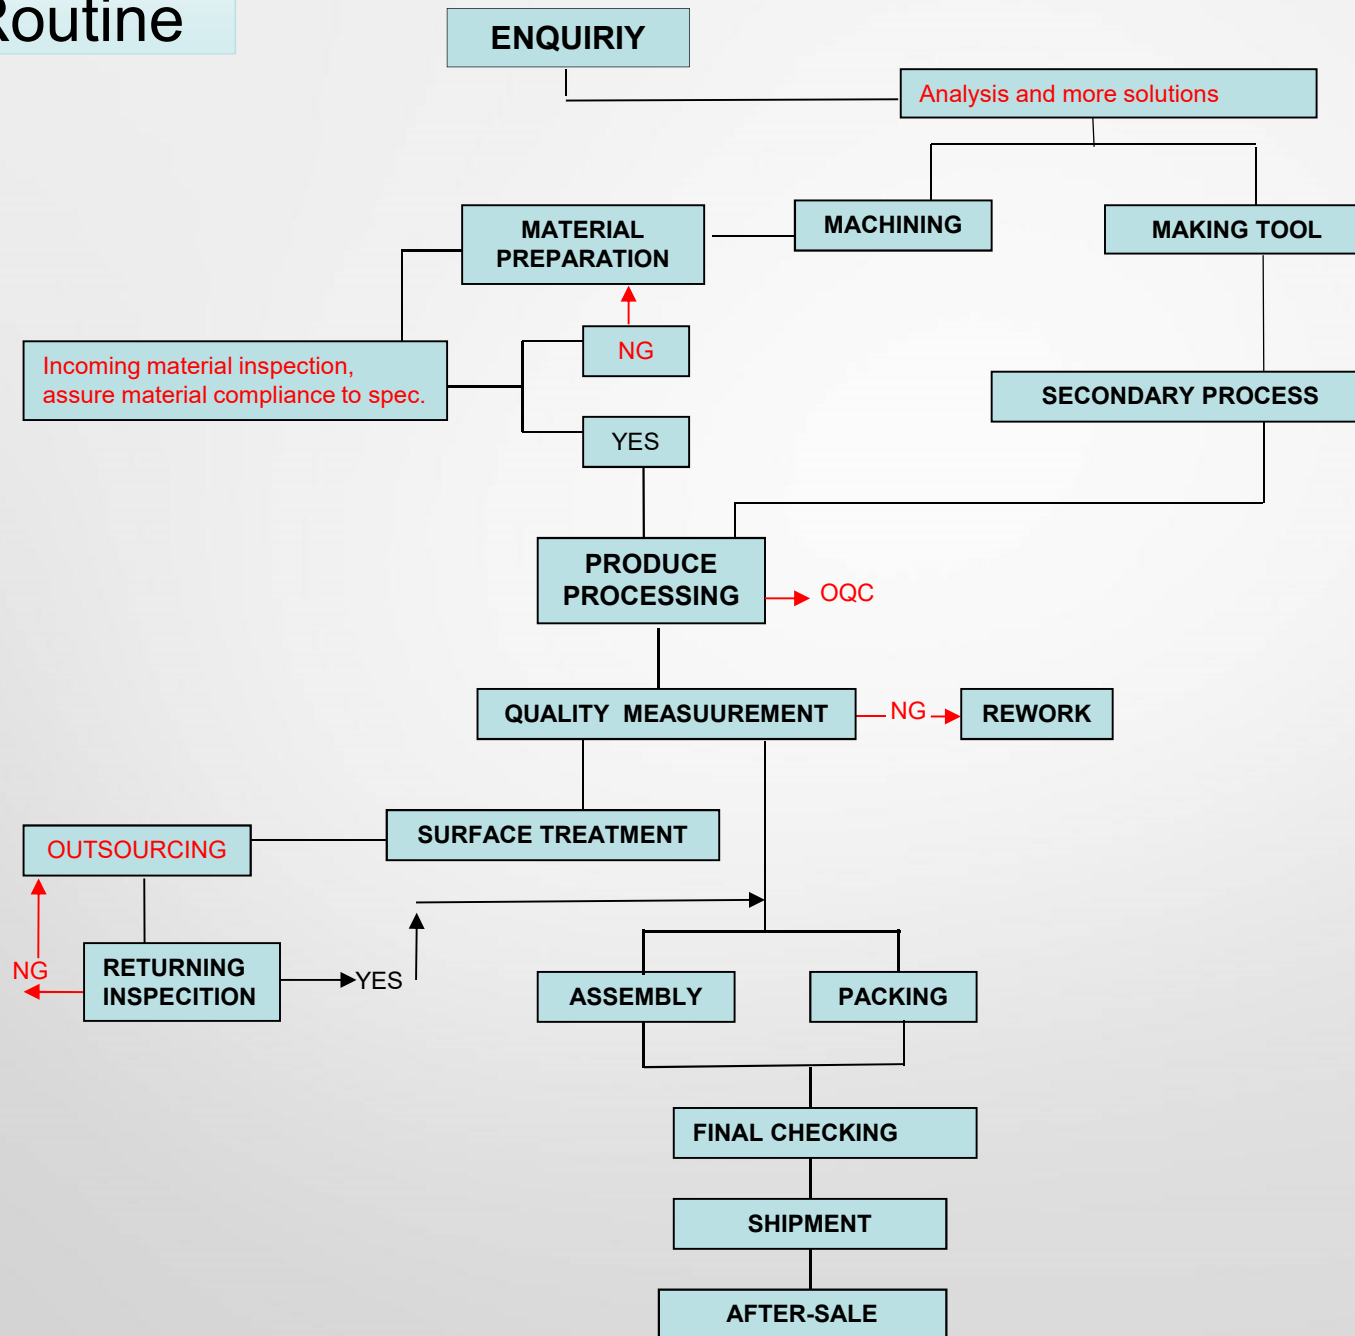

2019

Business unit

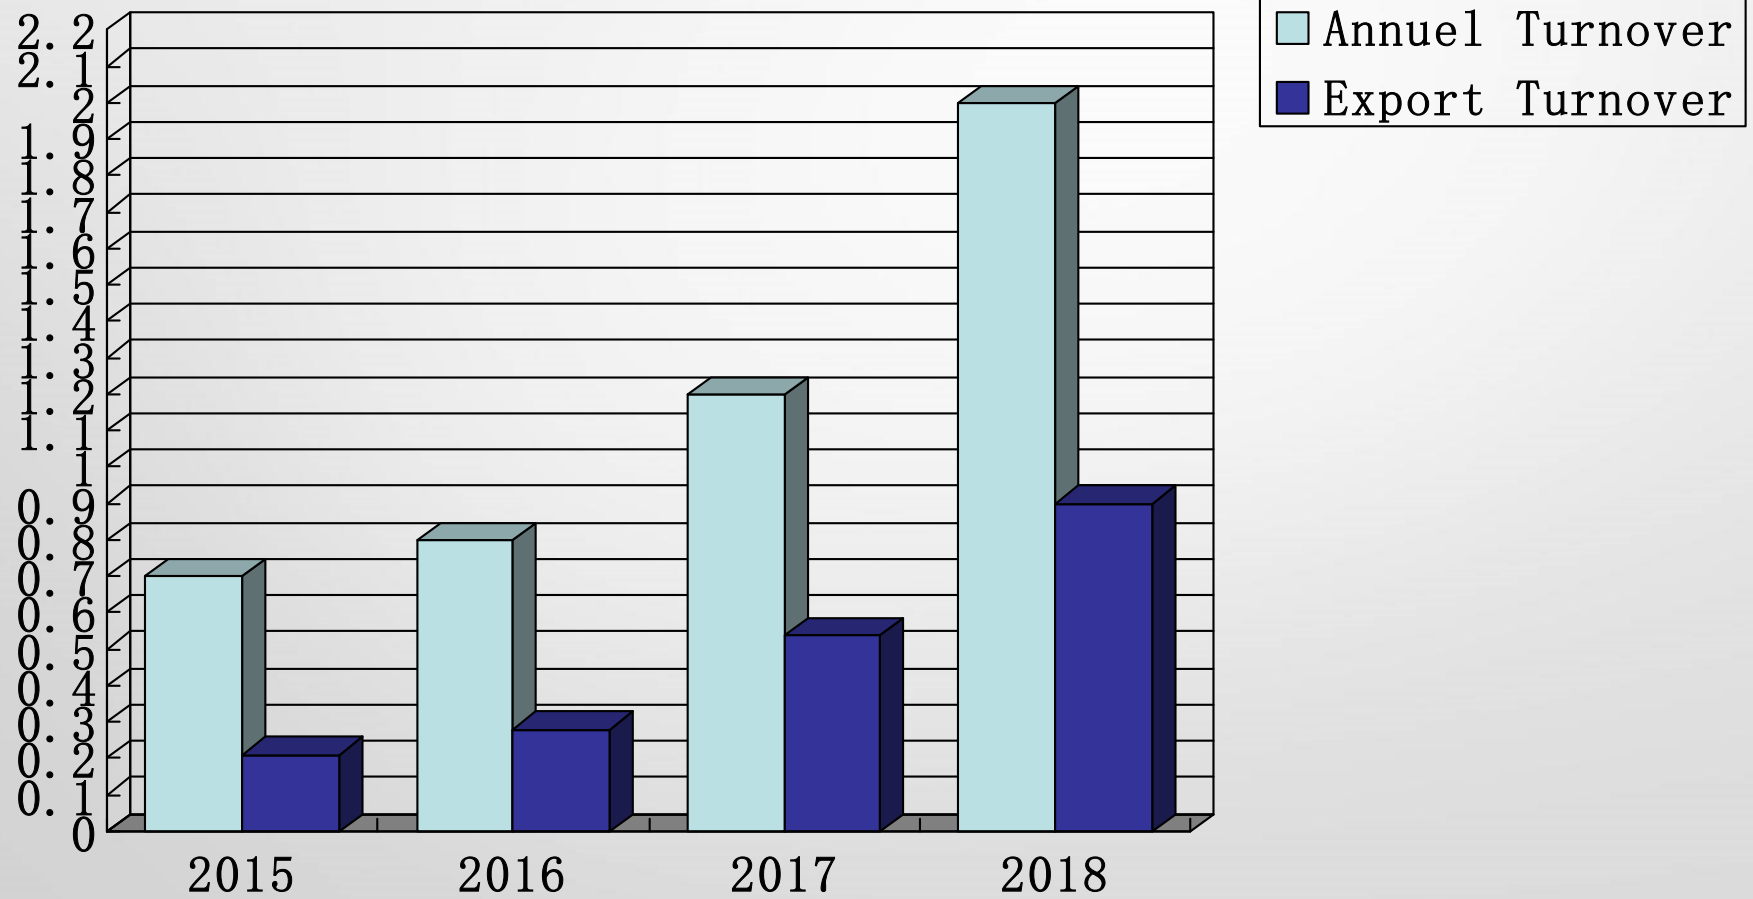

Service Routine

Annuel Report

Unit: a Hundred Million

Currency: CNY

Machining equipments

ANOK INDUSTRIAL CO.,LIMITED

MACHINING EQUIPMENT LIST

NO.	EQP.NAME	BRAND	ORIGIN	QTY.	ACCURACY
1	MILLING	KUAIJIE	TaiWan.CN	18	0.03
2	MILLING	KUAIJIE	TaiWan CN	5	0.03
3	TRADITION MILLING	JIEYONGDA	China	7	0.03
4	PRECISION CNC	MIKRON	Switzerland	5	0.002

15	MICROMETER	SANFENG	50-75	2	0.01
16	MICROMETER	SANFENG	75-100	2	0.01
17	DIAL CALIPER	GUANGLU	0-200	20	0.02

Machining Center

CNC center

Turning center

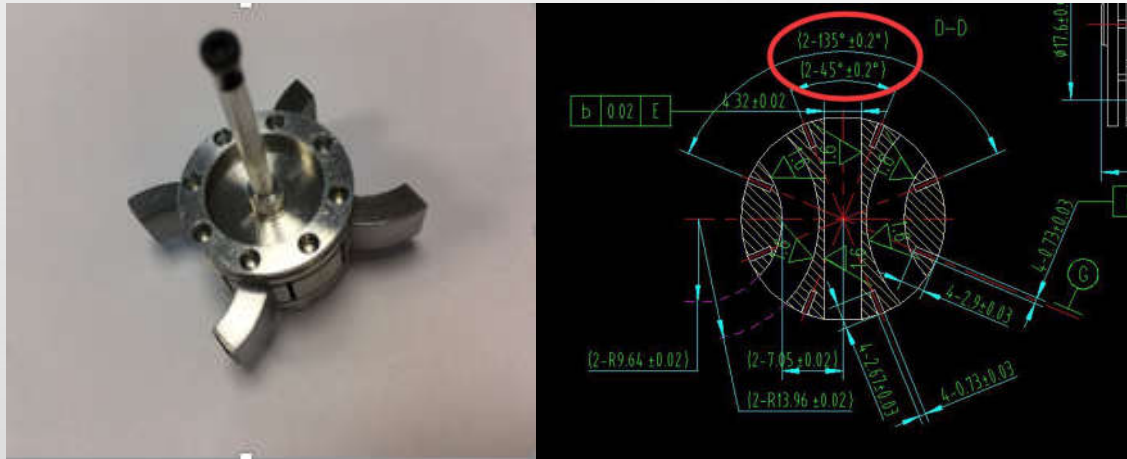

EDM center

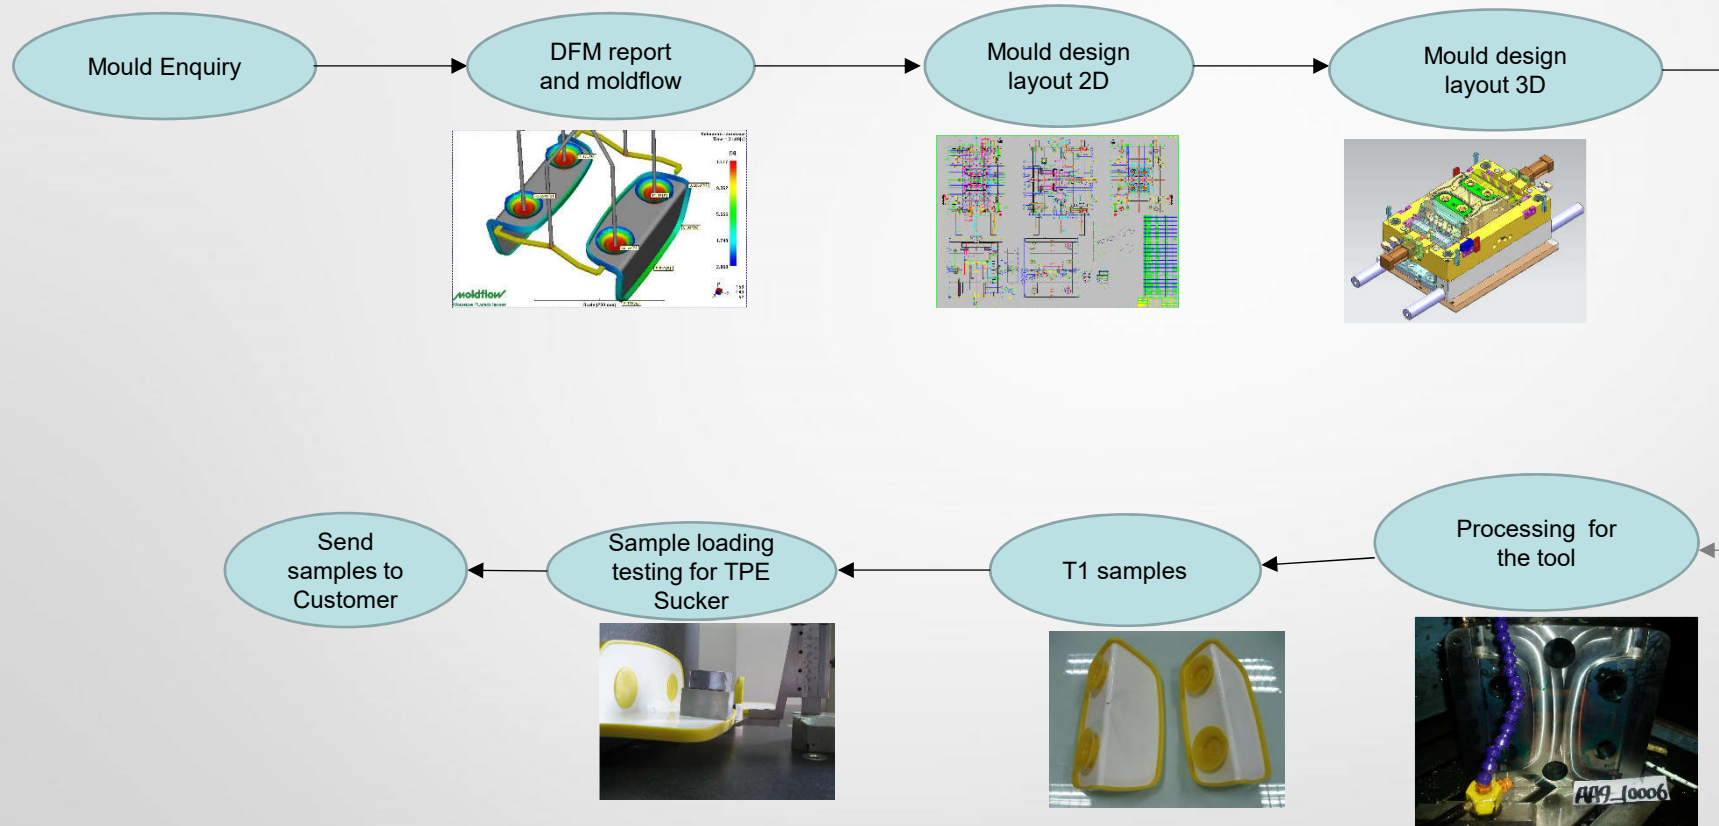

Quality center

Special Machined Technology

Mould Service Routine

- 1, The case sharing has get approval from our customer.
- 2, The case sharing is overmolding from material PP and TPE .

Product

Fixed plate for dashboard
(AL hard coating)

Housing cover
(SUS304 Stamping-sheet metal)

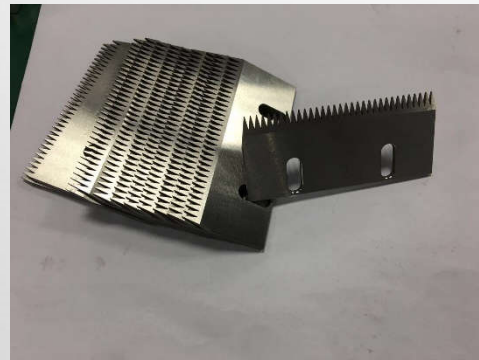

Automatic Device Ring
(SS turn-milling ,glossy)

Parts for automobile

Medical Former
Aluminum and PMMA

Tungsten blade

Fastener

Ring for Car restrictor

Product

Steel parts by four-axis machine

Brass industry part

Titanium Medical
Device Probe Mount

BeCu shaft for Medical device

Adjusting for gear driving
(SKD61 Nitrided)

Adjusting for gear driving
(S45C Polishing)

Plug fixing plate

Fitting block

Assembly

We have assembly –line in house , can help you assemble parts to be one complete piece.
The parts showed has be approval by our customer.
